General Information

The Brighton Recreational Centre is a not for profit, community based organisation. A Committee of Management runs the Centre under a license agreement with the Bayside City Council. Our Mission is to provide recreational, educational, cultural and sporting activities for all age groups and abilities in the local community. Within that charter, the Centre offers Occasional Care for children aged 0 to 5 years as well as a 3 Year Old Kindergarten program.

The Philosophy of Brighton Recreational Centre Childcare

The aim of the Brighton Recreational Centre Occasional Care Service is to provide a secure, happy and stimulating learning environment for children which enables the optimum development of each child as an individual and as a member of our society. This service will enable parents to “take a break” by providing short term care for their child.

The Service is committed to provide:

- Care and Education that is affordable and of high quality to children in the local community.
- Care and Education to all children regardless of their cultural background in a loving and accepting environment.
- Care and Education to children with additional needs, giving support and education to their families.
- Care and Education that is reflective of the Rights of the Child and the respect for one another, while at the same time developing the skills needed to live within the community.

The Program

The Staff at the Centre are committed to providing a high quality program that is aimed at fostering the development of children's skills. The current program is displayed on the noticeboard along with a range of other information to assist carers gain a better understanding of the program.

Bookings

Prior to booking, each family must lodge a completed enrolment form with the Centre for each child to be cared for. Enrolment forms are available from the Centre or can be downloaded from the website. Bookings for Occasional Care can be made on a daily, weekly or term basis. Permanent bookings can be made in advance for the entire term, and will receive a 10% discount on the daily fees. These places can then be rebooked during "Re-enrolment Week" at the Centre, (generally the second last week of each term). The onus is on families to re-enrol their places for the following term.

The minimum booking is one hour with a maximum of five hours on any single day. There is a maximum total of 15 permanent hours available for each child per week and the possibility for extra casual places totalling up to 15 hours per week. ***Please Note: You must notify reception at least 30 minutes before arriving for your session, that you are unable to attend (due to illness etc) or you will be charged the full amount of that session.***

Fees

The fee for Occasional Care is \$13.50 per hour.

Payment

Payment for the Occasional Care is to be made at the time of booking.

Cancellations

Failure to notify the Centre of your child's cancellation will result in payment for that session. If this occurs on more than one occasion, your child's position will be forfeited. The Centre is open from 9.00am to 9.00pm Monday to Thursday, 9.00am to 7.00pm Friday and 9.00am to 5.00pm Saturday and 9.00 to 3.00pm Sunday.

This is a Government regulation and also assists in the case of an emergency evacuation. It is also very helpful if you leave your contact number for this amount of time.

Collection of a child

If someone other than a person nominated on the child's enrolment form is collecting your child, please inform the Centre staff and you will need to add this person to your enrolment form. The person nominated will need to provide identification eg driver's licence.

Sick Children

The health and safety of all children is a major concern to the staff and parents using the service. The Centre does not have separate facilities for the care of sick children; therefore parents are asked not to send children who are ill to the Centre. The Co-ordinator reserves the right to exclude or refuse admission to any child whom appears to have an infectious/contagious disease. Staff will ask you to take your child home if it is felt that your child needs to see a Doctor. Parents of babies are warned that exposure to various childhood diseases and infections is always a possibility.

If your child has yellow or green discharge from nose OR any stomach/ gastro upset, the child is required to remain out of care till cleared and 24 hours after gastro complaint.

Action Plans

If your child has an allergy, asthma or anaphylaxis, you may be provided with an action plan from your doctor. We shall need a copy of this action. **This document must be signed by your doctor.**

Anaphylaxis

A detailed copy of the Centre's *anaphylaxis management policy* is available from the Centre. Any family with a child who has been diagnosed as being at risk of anaphylaxis should ensure that they receive a copy of the policy prior to their child being left in care at the Centre.

Medication

Should your child require medication, it must be clearly labelled, handed directly to the staff caring for your child and entered into the medication book in the Occasional Care Room. Medication will not be administered for the following reasons:

- The medicine is out of date.
- The medicine is not in its original container.
- The medicine is not prescribed specifically for your child.
- The amount exceeds the recommended dosage.
- The Medication Form is not filled out.

Custody Access

The Centre must be given a copy of any court orders relating to your child. Please remember to notify the Centre immediately if there are any changes.

Staff

It is the policy of the Centre that all staff are employed on the basis that they have at least the minimum qualifications as required under the Children's Services Regulations 2009.
