

PAYMENTS POLICY

By providing your debit card, credit card, or bank account information you certify that you have the authority to authorise debits or charges to the payment information identified here.

For recurring monthly payments you authorise Brighton Recreational Centre to electronically debit or charge the payment amount due on the due date for your payment. Your authorisation for recurring payments will remain in effect until you notify us that you wish to cancel your enrolment. You can cancel your enrolment by submitting an [enrolment cancellation form](#) to Brighton Recreational Centre. Enrolment cancellation requests must be received at least 7 days prior to your next billing date to ensure that you are not charged for future classes. You may print this authorisation or store it electronically and keep it for your records.
